WHAT'S HAPPENING

Today's Service is at 10:30 AM instead of 11
Featured at 11 will be the movie "AN ACT of LOVE"

This award winning film follows Rev. Frank Schaefer who was put on trial in the United Methodist Church for officiating his son's same-sex wedding.

Marriage equality is the law in all 50 States, but the U.S.'s 2nd largest protestant denomination is still sharply divided on this issue. This film is a strategic and important tool that elevates the conversation about LGBTQ rights in the United Methodist Church. In May 2016, at the denomination's General Conference, there will be another chance for the rules of the UMC to change and allow for ordination of LGBTQ clergy and for same-sex marriage within the Church. This film was created with this critical turning point in mind. Simply put, this film is designed to reach as many Christian communities - liberal, conservative and everywhere in between - as possible. The conversation about LGBTQ rights within religious communities has often caused pain and division. This film brings all sides together to see the human side of this debate through the stories of those who have had to deal with the real consequences of their community's stance on this issue.

A discussion and dialogue will follow at our Get Acquainted Time.

What's going on in the Serenity House Neighborhood?

The People's Garden is a place for neighbors of all ages to play, rest, grow and harvest fresh fruits and vegetables, organize, learn, and build community. Over the past year, North Philly neighbors, Serenity House, and other community members have been collaborating and organizing to transform a vacant lot into a community garden. We dream of a garden where neighbors could find nutritious food in the midst of a food desert, peace and safety in the midst of a city fraught with violence, and local pride and self-determination in a neighborhood threatened by disinvestment and displacement. Please support this ministry by going to: www.crowdrise.com/archstunitedmethodistchurch which will help the purchase of seeds, seedlings, soil, tools, a rainwater collection system, food and supplies for work days, tuition for gardening education, and transportation of supplies. After you donate, please sign up for occasional email updates at: goo.gl/pnPJ87 and come visit The People's Garden to see how you've helped our plants and our community flourish!

2016 Calendar of Events

Sunday May 15: (We are meeting a week LATE to avoid Mother's Day). **What's the book about?**

A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time.

Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machinations, and legal brinksmanship—and transformed his understanding of mercy and justice forever.

JUST MERCY is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of justice.

UM Men's Meeting and Book Discussion

During the 2016 season, the United Methodist Men will explore the lessons contained in the book [The Hidden Spirituality of Men](#) by Matthew Fox. The book explores the question: Why do men hide their deepest feelings and spiritual insights? Among the reasons discussed are the following:

- Many men carry wounds inside they would rather forget or put aside than admit are there.
- Men don't know how — and are not trained — to deal with their anger and outrage in healthy ways.
- Men sometimes work so hard that they do not have time or space for exploring their hearts.

The United Methodist Men meet on the first Saturday of the month at 10AM for breakfast in Nichols Hall. Please make arrangements to attend these informative and educational discussions

POSTPONED: **ASUMC Member and Economist** **Harold Glass Presents:**

The special Get Acquainted Time "Is Wealth and Income Inequality Really as Great as Bernie Sanders Asserts?" has been postponed. A date will be announced in the near future.

Grace Café

Grace Café (ASUMC's outreach to folks currently without homes) is open **every Sunday** until July 3rd. After a brief period of faith, those gathered will enjoy a home-cooked meal hosted by Amanda Janes. There are still openings in May and June for hosts to bring food and prepare a meal for about 200 people. If you know of a group that would like to assist in this important mission, please have them contact the church office at 215-568-6250 or Darlene DiDomineck at ddidomineck@epaumc.org. Greeters, servers and clean-up crew are needed and always welcome.

POWER

POWER is launching a listening campaign as a first step in a new drive called "Live Free", our effort to address mass incarceration. We need to hear the stories of those living close to the pain. If you have a story of your own or a family member with any experience with the bail, jail, or prison system that you are willing to share in a private one on one conversation, contact our organizer Nicholas O'Rourke: norourke@powerphiladelphia.org. Listening is a key first step to any successful campaign.

Below is a list of dates of planned actions around POWER's goals of Economic Dignity, LiveFree (addressing mass incarceration), and quality education for all Pennsylvania's school children.

Please consider which events you can make time for. High numbers of participants are important in drawing attention to our causes and changing the minds of our leaders and legislators!

April 29, 7:00 PM at New Vision UM Church, 3259 N. Broad St.: POWER's Live Free Strategy Team (addressing mass incarceration) will host a "Stop-and-Frisk Town Hall" with Mayor Kenney and Police Commissioner Richard Ross.

This is our chance to demand a full explanation about a reported change in the mayor's promise to end this practice. Mayor Kenney, in an address to POWER before the election, asked us to hold him accountable and we will. A large group of committed citizens will make an impression. Please join us.

Stay tuned for details on May POWER events. Please watch this space and visit the POWER website: powerinterfaith.org for more information on above events. Questions? Please contact Pastor Robin, Betsy Connor (215-232-7186) or Nancy Megley.

Possible changes ahead in our districts and conference

A letter from Bishop Peggy Johnson

Three years ago the possibility of decreasing our number of districts from six to four was considered and that possibility is being considered again.

The rationale for downsizing the number of districts is financial. We continue to receive less money from our churches in Connectional Ministry Fund apportionment giving; and fewer churches are paying in full their billed funds for clergy pension and health benefits and for property and liability insurance. In addition, many churches have not fulfilled their pledges toward the capital campaign to fund Pre-1982 pensions, and the recent revision of the mortality tables, weak financial market conditions, and lower interest rate assumptions will increase our unfunded liability. Meanwhile, more churches have closed, more churches are going part-time, and less money is coming in each year. We simply have to consider ways to live within our means so that we are able to pay our bills, fulfill our obligations to our retirees and not continue to raise apportionments.

The cabinet is currently working on a model for reconfiguring the conference into four districts.

The conference treasurer, the district superintendents and I will be visiting every district during the month of April to show the map of the proposed plan and to get suggestions and answer questions.

Following these question and feedback sessions, we will consider the proposed configuration design further and make any necessary modifications. The final draft will be presented at our Annual Conference June 16-18, 2016. It will not be voted on until our Adjourned Session of Conference on Saturday, October 1, 2016. If we vote to decrease the number of districts, it will not go into effect until July 1, 2017.

The jurisdiction's overall membership has dropped below the prescribed number needed to maintain nine episcopal areas.

An appeal to postpone this downsizing until 2020 is being made to the Interjurisdictional Episcopacy Committee, which will meet at General Conference May 15, 2016. If the appeal is not granted the Eastern PA and Peninsula Delaware conferences that make up the Philadelphia Episcopal Area will be split and each become part of two other episcopal areas with different partner conference
