# WHAT'S HAPPENING

## **ASUMC Youth and Young Adult Travel to Robeson County**

We want to wish The Youth and Young Adults accompanied by Pastor Robin Hynicka and Marge Donnelly a safe and prosperous journey. The ASUMC group left this morning for their Mission Trip to North Carolina. For the last eight years, **ASUMC Youth** have traveled to Lumberton and Pembroke NC to work alongside local leaders on various improvement projects. The picture above shows the kind of work our volunteers accomplish. The Robeson County Church and Community Center is the heart and soul of support for the poor of Robeson County – the poorest county in NC. The Center was under flood waters in the Fall of last year due to Hurricane Matthew. Pastor Kelly stated that funds and volunteers are desperately needed to restore the Center so they can resume all functions. **The United Methodist Church is the driving force behind the Center's work** and the **ASUMC Youth** are so close to this NC community they ask for your help. **Let's show our youth that we support their efforts by giving to the relief fund. Pastor Robin has set a stretch goal of \$8,000.** Please use the special offering envelope inserted in the bulletin or give online. Checks should be made out to Arch Street UMC with the words **Flood Relief** on the memo line. Thank you for your generosity.

## **We need affordable Health Care for all**

Members of the U.S. Congress have worked since January to make significant changes to the American health care system.

Everyone agrees that changes need to be made to improve the current health care laws. Too many people are skipping a doctor's appointment today because they can't afford the co-pay. Too many people will go to bed tonight without health insurance. Too many people will wake up tomorrow wondering how they'll pay their medical bills.

People struggle for access to high-quality, affordable health care day after day.

We are called as followers of Christ to share our neighbor's struggles and to lighten their load. Because of this call, we must continue to tell senators to vote no on the current legislation. It is unthinkable that we'd consider making changes to the health care system that will add millions of people to the list of those uninsured. United Methodists of all political stripes have been working over the last six months to ensure that any changes to health care law have one outcome: more people getting the care they need.

Call your senators today: 202.224.3121. Let them know you live in their state and that you want them to vote no on any bill that decreases access to health care. Tell them you want them to work across party lines to find solutions that increase the number of people who have health insurance.

## Monthly Meeting

POWER's next Action Team meeting will take place **Tuesday, August 8th** from 7:00–9:00 PM at the POWER Office, 1429 N. 11th Street, Philadelphia, PA 19122 (two blocks north of Girard Avenue on the SEPTA 23 bus route). All strategy teams will present their year-long campaign plans for input, so be sure to come and share your thoughts on POWER's next steps.

Dinner will be available at 6:30 PM and free childcare offered by certified personnel is available upon request. If you are in need of childcare, please contact [info@powerphiladelphia.org](mailto:info@powerphiladelphia.org) by Friday, August 4th with the names, ages, and number of children attending.

## Green Jobs Campaign

At the 2016 Poverty Summit, POWER set a goal of ending poverty in Philadelphia in 10 years and presented a platform of ideas and strategies to help get us there. The first "Black Work Matters" report focused on growing strong, living wage jobs in the service sector. This year, we examine opportunities for equitable wages in the green energy industry.

On July 11th, we released our second report: "Black Work Matters: Green Jobs" (available at: <http://powerinterfaith.org/>). The report projects that *we can lift 1 out of 5 families out of poverty* with the targeted building out of a strong and vibrant green jobs sector. So we ask: What are the life-sustaining jobs and economic opportunities available to achieve this goal? What policies do we need to make change?

POWER has some answers. We will need a lot of people-power to enact the recommendations. Please familiarize yourself with this inspiring and hopeful report. If you feel the call to join this effort, come to the monthly meeting (details above) and meet with the Economic Dignity Team.

## Sunday School

All those interested in reading, reflecting on and discussing the Bible passages used in each week's sermon are invited to meet in the Chapel every Sunday at 9:45am. The scriptures readings for today's class are Genesis 32:22-31, Romans 9:1-5, and Matthew 14:13-21. Readings for NEXT week are Genesis 37:1-4, 12-28, Romans 10:5-15, and Matthew 14:22-33.
