## Singing the Body Electric

### *Igniting Our Physical Vessel*

I am a firm believer in the language of the body; we are, effectively, the physical manifestation of our thoughts, so what is inside of us inevitably “shapes” how we present ourselves in the physical world. Come and travel along with me in a voyage of practice, inquiry, and discovery of the connection between thought and deed as we work our way through social dances of the past and present. Through shared learning we will challenge our brains, bones, and belief—in us as individuals, as a group, as a community!

When: Wednesday, November 1 /Wednesday, November 8/-Wednesday, November 15 – 7 – 8.30 p.m.

Where: Arch Street United Methodist Church – Nichols Hall (lower level)

Attire: Dress comfortably, ready to move!

# Arch St. United Methodist Women's Calendar

## Arch Street reads *Age of Dignity* in November

Arch St. United Methodist Women invite everyone, including men, visitors, curious bystanders, to join us in discussing the book *Age of Dignity* by Ai Jen-Poo on Sunday **November 12**, immediately following the 11 am Worship Service, in the second floor conference room. **Copies of the book will be available from Margaret Harris at church every Sunday until that date, or until we run out!**

Why should you read this book?

In *The Age of Dignity*, thought leader and activist Ai-jen Poo offers a wake-up call about the demographic reality that will affect us all. “We have more senior citizens in America today than we’ve had at any time in our history,” Poo writes, pointing out that more than 14 percent of our population is now over sixty-five; by 2030 that ratio will be one in five. In fact, our fastest-growing demographic is the eighty -five-plus age group—over 5 million people now, a number that is expected to more than double in the next twenty years. This change presents us with a new challenge: how we care for and support quality of life for the unprecedented numbers of older Americans who will need it.

Despite these daunting numbers, Poo has written a profoundly hopeful book, giving us a glimpse into the stories and often hidden experiences of the people—family caregivers, older people, and home care workers—whose lives will be directly shaped and reshaped in this moment of demographic change. *The Age of Dignity* outlines a road map for how we can become a more caring nation, providing solutions for fixing our fraying safety net while also increasing opportunities for women, immigrants, and the unemployed in our workforce. As Poo has said, “Care is the strategy and the solution toward a better future for all of us.” From Amazon Review. Hope you can join us on November 12th.

## Celebrate Thanksgiving with immigrants and refugees on Saturday November 18th

Each year NSC (Nationalities Service Center), our neighbor at 1216 Arch Street, welcomes newly arrived refugees and immigrants to a Thanksgiving celebration. This year we are once again hosting this wonderful event in Nichols Hall at Arch St. Church, with our own Marge Donnelly preparing the feast in our kitchen. Guests are invited to come between 1:30 and 3:30 on Saturday November 18th. Would you like to

help to make sure everyone feels welcome and has a great time? If so, contact Margaret Harris at [margaretharris@me.com](mailto:margaretharris@me.com) or 215-568-2206  
It's Not too soon to think about Christmas- Volunteer for our Christmas Party

Every year Arch St. Church hosts a Christmas Party for the Moms and Kids living in the Salvation Army's Eliza Shirley Shelter next door to the church on Arch Street. For years, this party has been organized under the very able and dedicated leadership of Betsy Connor, but this year she has stepped down, so I am asking you to step up so we can once again make it happen.

The date and place are set and on the calendar: Saturday December 9th from 2 to 4 pm in Nichols Hall.

Here are some the ways you can help join in the fun:

- Bake cookies or brownies to share.
- Come early on Saturday to help set up and decorate
- Come to the party and play games, serve food, line dance, and give out presents to Moms and kids.
- Donate money to help cover costs
- Stay late after the party to help clean up
- Invite your friends to volunteer for the day of the party
- Suggest new ideas to make the party more fun

Please talk to Margaret if you have any questions or to volunteer. I can found sitting near the front of the church near Wilhelmina at the 11 am Worship service, reached by telephone (215-568-2206) or email:[margaretharris@me.com](mailto:margaretharris@me.com)

## Javier Flores Garcia Leaves Sanctuary

To the delight of his family, kids, and friends, Javier left sanctuary last Wednesday October 11<sup>th</sup> after spending 11 months at ASUMC. The recipient of a special visa for

assisting the police whilst being a victim of a crime, Javier is now able to rejoin his family and no longer risk deportation by I.C.E. His case was a rare win within the sanctuary movement, bringing hope to those facing deportation and has brought the attention of media including the New York Times, Washington Post, and ABC News. Throughout the day, his little boy Javier ran through the halls of the office with delight, waiting for everything to be over, happy for his Dad to finally come home. Suffice it to say, it was a very good day.

## Christmas Cards for Inmates in Eastern PA, 2017

Can you imagine how it would feel to be separated from your friends and loved ones at Christmas? Inmates who are incarcerated can find it difficult to maintain connections with important people in their lives. At holidays, their distance, and the pain of absence, can be felt most deeply.

Last year, thanks to your efforts, over 8,000 Christmas cards with brief handwritten notes of caring encouragement were provided to inmates in 10 correctional facilities in Eastern PA.

This year, through a simple, signed Christmas card, you can again share the spirit of Christmas with persons who are incarcerated. Your participation in this project can send a powerful message of God's love to those who are incarcerated. You can remind them of their sacred identity as God's beloved sons and daughters, at a time when they may be feeling very much alone. We hope we will be able to reach even more inmates through this project this year.

Please note that all cards must be completed and returned by Monday, **November 6**. Thank you so much for your willingness to share the blessing of God's love with others!

# STATEMENT FROM UNITED METHODIST BISHOPS

## ‘A Clean Dream Act’

WASHINGTON – Today (October 5) was the deadline for DACA recipients to have their renewal forms in to the United States Citizenship and Immigration Services (USCIS). They had exactly one month to gather their documents, and raise the funds for their renewals and to pay lawyers to assist them. This was no small effort for young people who all too often live in extreme poverty.

We are praying for DACA recipients and their families and all undocumented immigrant communities as they continue to find themselves in the unending crisis of being undocumented in this country. By March 5th, 2018, Congress must determine how it will respond to this crisis. We urge Congress to begin by passing a Clean Dream Act.

A Clean Dream Act would allow undocumented young people the opportunity to work, receive an education and serve in the U.S. military. It would also provide them with a pathway to citizenship. What it would not do is use undocumented young people against their parents, families, and immigrant communities.

Some of the negotiating that is already occurring in Congress and with the Trump Administration would grant a Dream Act but demand the compromise of more dollars for increased immigration enforcement, border security and the building of a wall between the U.S. and Mexico. Enforcement, border security and a wall are not the solutions to our broken immigration policies. Using young people to leverage funding for such misdirected efforts that unjustly punish their parents and others, including these very young people, is cruel and gains nothing positive for them or the country.

We continue to believe that government leaders have the wisdom and the resources at their disposal to create and implement a Clean Dream Act that will protect vulnerable young people for whom the U.S. is the only home they know and have. A Clean Dream Act could be the beginning of helpful and healing immigration reform in the U.S., and even inspire the reform of migration laws around the world that would help young people everywhere.

*Bishop Minerva Carcaño: Chair, Immigration Task Force*
