WHAT'S HAPPENING

Welcome to Grace Café!

Grace Café (ASUMC's outreach to folks currently without homes) is open **every Sunday** through the end of June. After a brief period of faith sharing, those gathered will enjoy a home-cooked meal hosted by volunteer groups. *200 people attended last week's Grace Cafe.* Today's dinner is provided by Eastern Mainline Mission. There are still openings for hosts to bring food and prepare a meal for about 200 people. If you know of a group that would like to assist in this important mission, please have them contact the church office at 215-568-6250 or Darlene DiDomineck and Carmen Francesco at gracecafehilly@gmail.com Greeters, servers and clean-up crew are needed and always welcome.

A Look at Our Faithfulness

Combined attendance for last Sunday December 10th was 88. Your tithes, gifts, and offerings help ASUMC make a difference in our community. Thank you.

Christmas Caroling Today at 4:30PM

Remember how much fun it was to go caroling as a kid? Well, now you can do it again! We've decided to go caroling on the steps of Arch Street UM Church today! We hope to be joined by both the Arch St. Choir and the Grace Cafe Choir. Later we'll go inside and join the Grace Cafe Worship Service and Grace Cafe dinner. We will have songbooks and song sheets so you don't have to worry about not remembering all the verses to your favorite hymns. We hope you can join us and invite your friends. Everyone is welcome! Questions, ask Margaret (215-568-2206 or margaretharris@me.com)

“This Year Will Be a Year of Justice”

Those words are the theme for the **“Watch Night for Racial Justice”** on New Year’s Eve at the newest POWER congregation, Philadelphia Episcopal Cathedral. Just reading those words makes it seem possible. Not that all injustices in education, healthcare, jobs, the criminal justice system, and climate change will be righted, but undoubtedly POWER’s work will build barricades against destructive and divisive forces and move steadily on the path to a “city of opportunity that works for all” (POWER’s unofficial rallying cry).

The Watch Night will be **“An Evening of Jazz to Benefit POWER.”** At 4:00 PM the music will start, featuring vocalists, pianists, a drummer, and the Clef Club Student Ensemble. A prayer service starts at 7:00 PM. No advance tickets are required. A free will offering will be taken at times throughout the evening. The cathedral is at 19 South 38th St. (University City), Philadelphia. Free parking is available at the lot at 39th and Market Streets.

It sounds like a wonderful way to see in the New Year, and of course to meet other POWER members.

For more information please see the event poster on the bulletin board outside the chapel office.

Please contact Betsy Connor (betsyfconnor@gmail.com, 215-232-7186), Nancy Megley (nmegley@msn.com, 215-574-8320), or Wilhelmina Young (thecatalyst212@yahoo.com, 215-227-4034) with questions and watch the bulletin board near the chapel office for POWER news.

Sunday School

All those interested in reading, reflecting on and discussing the Bible passages used in each week’s sermon are invited to meet in the Chapel every Sunday at 9:45am. Many Thanks

Many thanks to all who contributed to making the Christmas Party, for our neighbors living in the Eliza Shirley Shelter it was such a fun event. Thank you to all the people who baked delicious treats, contributed juice to drink, or donated presents for the moms. Thanks to the decorators and the servers. Thanks to Santa Juan and Jolly Elf Raymond, and all those who helped give out the toys and books to the kids and gifts for the moms. Thanks to Rhonda who led us in dance and Robin who once again brought the house down with What Time is It Mr. Fox? A special thanks to Betsy Connor who wrote a detailed schedule and plan of what needed to be done and when, and then helped us every step of the way. And finally, big thanks to Frank Jones who makes everything at Arch St. run smoothly in spite of us.

Unique Ideas for Your Holiday Gift-Giving

Are you stumped about what to give a loved one this Christmas? Maybe they don't need another pair of shoes or another tie. Maybe they do not need anything! Consider giving them (or you!) a tax-deductible gift that will provide a once-in-a-lifetime experience and support our ASUMC ministry! We are about to embark on a \$250,000 façade repair program. These gifts will help us fund the program. Here are our suggestions:

1. \$25. Receive a piece of stone that was removed from the façade during the repairs.
2. \$50. Group guided tour of the Spire from the inside.
3. \$1,000. Group guided tour of the part of the Arch Street façade reached from scaffolding, approximately 50 feet above the sidewalk.
4. \$5,000. Ride in the crane basket and touch the cross at the top of the Spire, approximately 220 feet above the sidewalk!

Note that gifts 3 and 4 would be ideal for someone who is concerned about heights, to help them change to having an appreciation for heights.

Why are we asking?

As stewards of God's building, one of our Trustees' duties is to protect public safety. One aspect of this duty is a City of Philadelphia requirement. For any building that is over 60 feet tall and constructed prior to 1950 (this means ASUMC), we must submit a report indicating the condition of the entire façade (the exterior surface) of the building.

In August 2017, after a two-day inspection, the Trustees received a draft report from the engineering firm we hired. Their findings are that three jobs must be performed prior to issuance of their final report:

1. The three-decorative masonry architectural details on the Arch Street side ("Finials") must be removed;
2. The Spire requires a hands-on inspection that can only be performed from a 250-foot crane;
3. Several other items separate from the two items above, identified during the August inspection, and must be repaired.

The Church Council accepted the Trustees' recommendation that we invest approximately \$250,000 in these projects. The investment will be funded by a loan secured by the ASUMC endowment. The planning work has begun, and we hope physical work will begin in January 2018.

Assuring the safety of the building is not a one-shot deal. It requires an investment in continual maintenance. We will need an ongoing program

to assure the continued safety of the façade into the future. This is true not only because of our duty as stewards of the public safety, but because we must provide the same report to the City of Philadelphia every 5 years from now on.

We learned a lesson from the outcome of the planning and construction of the parking garage next door. Nothing is impossible with God. If we truly come from a perspective that puts the Kingdom of God first, and earnestly and patiently explain our needs, God will send the things, people, and resources to make our dreams a reality.

Maybe God wants to work through you! Please support this project with your donations (as described above, or in any amount you wish) and prayers. Your contribution should be marked “Façade repair fund.” We intend to pursue other sources of funding for this work. Thank you for your support! Please contact Russ Alexander or any of the Trustees with any questions.
